Today we experience Bill and Gloria Gaither, one of the most successful Christian writing and performance teams from the 1970's-2010. Beside the songs they wrote and

the new Christian Artists they mentored, the Gaithers were continually trying to unite the different Christian denominations through music; composing songs about the "Family of God", "Plenty of Room in the Family", "Getting Used to the Family of God", and more. The Gaithers brought different musical styles together with their "Homecoming" videos and concert tours. These performances still continue today, where a multitude of Christian artists, young and old, come together to sing, chat, swap stories and inspire new creations. **Joins us next Sunday, November 11, to experience and study American hymn writer, B. B. McKinney.**
